Dunatos greenhouse and fruit & vegetable garden:

Here at Dunatos we have a lovely fruit and vegetable garden and greenhouse. George Fourie, works in our vegetable garden full time. Some of the produce he has grown includes Aubergines, Sunflowers, Basil, Naartjie (Mandarin) tree, Fig tree, Mango tree, Banana, Blueberries, Raspberries, Cabbage, Cauliflower, Carrots, Beets, Spinach, Peppers, Granadillas, Tomatoes and

Beans. Our vegetable garden produce is organic and we produce our own organic compost as well as our own Earthworm farm.

If anyone has used 20 litre or 25 litre Sunflower Oil buckets, please send it to school with your child. We will ensure that George receives it. He wants to use the buckets for plants in the greenhouse.

We have produced our own Basil Pesto which can be purchased at R30 for 125 ml. If interested, please send an envelope to your child's register teacher with the correct amount with your child's name, surname and grade written on the envelope or do an EFT with child's name & Pesto as reference. We will ensure that your child receives the Pesto.
